THANK all of you for a great meeting in February as we reviewed the budget and voted to accept it. A big thank you to the committee who set it up for this coming year. Now there is the work ahead of us to make the budget meet our needs in 2019. I am also very happy that we have started the process of getting some funding going for our CLUB fundraiser this year. I will be going to purchase the 50 Papa Murphy cards at —

— \$3 each that we will be able to sell for \$6 each. Right now, to meet and balance our budget if we spend ALL of the money we have allotted for our yearly expenses, against what we expect to have for INCOME, we will need to pull about \$1000 from our bank account. THAT IS, unless we can raise that money by having CLUB fundraisers this year!!! So if any of you have more suggestions, along with the Papa Murphy cards, than please, please, please bring all of them to our meetings.

Norma has done a FANTASTIC job of replenishing our stores supplies so if we all buy hats, T-shirts and other items, we can also narrow the gap between expenses and income. So buy, buy, buy especially if we are going to add sweatshirts to the inventory!!! OK, OK, OK enough rambling!!! See you all at our next meeting.
