President's Pearls

I thought I would surprise everyone this month and NOT start with any quotes, jokes or "wise words" that someone else wrote, but then I changed my mind.

Abe Lincoln said "It's not the YEARS in your life that count; rather it's the LIFE in your years that really count the most".

I believe that our club members are proof of this.

We all have been active and full of fun and energy every year for ALL of the years that I have been part of this great club!

I hope some of you have your cars all checked out and cleaned up for the St. John's parade. Thank you TOM for arranging all of the parade participation all year!

Now we are looking forward to another fun event! I know we will all support our Charity event and plan to go on the bus trip to the coast where we will make a stop at the casino for "games" and food.

See you all at our May meeting!!!
